Unfinished business:

The noise ordinance is not complete and will be worked on over the next couple months. Dave has not completed the new hall rental agreement but is working on it. A letter has been sent to property owners on Carrier Dr. and Mary Lane about the road problem for trash pick-up. Dave has not had much response. What may have to happen is a special assessment for those property owners, however, they would have to come before the board with this. If trash is set at the end of the road it could lead to a blight issue. Dave will be following up on this.

New Business:

Linda Bailow stated that she had a complaint from a resident of a blight issue on Bonnie Mae. Supervisor Vida and trustee, Jim Korman will look into this.

Public Comment:

Linda Bailow suggested that the township put up a flagpole/flag outside the township hall. All were in favor of this. Lester and Jim will check on prices with area businesses. Nancy House stated there may be a company in north Mt. Pleasant that does this. Barb Pitcavage stated that the computer training at the library was great and stated that anyone in need of help go to the

classes. Dave Lawrence asked about a possible CPR class to be held at the township hall. Linda will contact the Red Cross for more information on this.
