EXHIBITOR INFORMATION AND REGISTRATION FORM

As an exhibitor in the 2021 Harrison Street Fair Arts, Craft & Antique Show to be held on Friday, August 26, 2022 and Saturday, August 27, 2022 please be aware of the following:

- The location of the Arts/Crafts/Antique Show will be on Second Street.
- Food Vendors please contact the City of Harrison prior to applying. Only certain food items will be allowed out of respect for local businesses.
- None of the following items will be allowed at this show: NO GUNS, KNIVES, SWORDS, DAGGERS, FIREWORKS, DRUG PARAPHANELIA OR PICTURES OF DRUG PARAPHANELIA AND NO AIRSOFT GUNS. This is a family event so please make sure your wares are family appropriate.
- Please note, vendors that are registered for both days of the show will be given priority. For the benefit of our festival and customers, it looks more appropriate to have vendors in place for both days of the show. If you are only attending one day, you will be placed in a location that will not create a "hole" when you leave the show. This will also make it easier for setting up and tearing down your booth so as not to disturb someone else's display. Please do not mark both dates just to get a better spot. If you mark both dates and do not attend both dates, you will not be invited back to our festival. ****NO EXCEPTIONS**** We have had this happen in the past and it takes away from our festival.
- Cost of booths are \$30.00 for a 10x10 or \$50.00 for a 10x20. This price includes both days; there is no discount if only attending one day.
- We prefer but are not requiring handcrafted items and will do our best to recruit a variety of items for sale. If space becomes limited, priority will be given to vendors selling items made in the USA.
- In addition, we will do our best not to have multiple vendors selling the same items. So please be specific about what you are selling. If it is not listed on your application and an issue arises with another vendor/crafter, you may be asked not to sell the items not listed on application.
- Because this is a two-day event, there will be security to patrol the craft show area on Friday night. However, we cannot be responsible for lost or stolen items.
- **Set up time for Friday and Saturday will start at 7:00 a.m. – Vehicles will be allowed on the streets only to unload and then must be removed to make room for others. No Vehicles will be allowed on the streets after 9:00 a.m. Friday and before 7:00 pm Saturday**
- **There will be designated parking for vendors in designated lots. Please use these lots.** If you are not staying both days, you may wish to bring a cart to transport your items at the end of the show on Friday. There will still be events going on that may not allow you to bring your vehicle into that area.
- Please have your booth remain open for the entire time each day. 10:00 a.m. to 7:00 p.m.
- Alcohol permitted only in designated areas.
