**City of Harrison -- Greenwood Township
Fire Protection Services Agreement**

THIS AGREEMENT is made between the City of Harrison, 2105 Sullivan Drive, Harrison, Michigan 48625 ("City"), and Greenwood Township, 3447 West Temple Drive, Harrison, Michigan 48625 ("Township") (collectively "Parties"), on the _____ day of _____, 20_____.

WHEREAS, pursuant to the Urban Cooperation Act, Public Act No. 7 of 1967, as amended, MCL 124.501 *et seq.* ("Act 7"), the Parties may make intergovernmental agreements to provide for municipal services, including fire protection services; and

WHEREAS, the City owns and maintains a Fire Department with firefighting personnel, vehicles, and equipment, and is willing and able to provide fire protection services within the Township; and

WHEREAS, the Township lacks any Fire Department and firefighting personnel, vehicles, and equipment, and desires to receive the fire protection services of the City's Fire Department within the Township.

THEREFORE, in consideration of the above premises, the Parties agree as follows:

1. ***Annual Service Fee.*** During the term of this Agreement, the Township hereby covenants and agrees to pay to the City, for the current contract year, 0.0009 mills times the taxable value for the property described on Exhibit "A", which is calculated to be, for 2026, the sum of \$57,277.77. The service fee shall be paid in two installments, with the first payment of \$28,638.88 due on April 15, 2026, and the second payment of \$28,638.89 due on September 15, 2026. The Township shall have no obligation to pay any other amount to the City for the fire protection services and specifically shall not be obligated to pay the City for any equipment, capital improvements, infrastructure, vehicles, or other improvements made or acquired by the City.

2. ***Term of Agreement.*** This Agreement shall be in effect for one (1) year, commencing January 1, 2026, and terminating December 31, 2026. To continue fire protection services beyond the term of this Agreement, the Parties must enter into a new written agreement or a written extension of this Agreement, duly approved by the governing bodies of the Township and the City.

3. ***City Fire Protection Services.*** The City agrees to provide the following fire protection services ("Services"):

- i. respond to all fires in the Township, including but not limited to calls for the following types of fires:
 - (a) buildings and structures
 - (b) smoke investigations

- (c) electrical
- (d) vehicles (personal, commercial, farm)
- (e) appliances
- (f) controlled burns (provided that the City is not required to conduct, observe, or monitor controlled burns)
- (g) chimneys/silos
- (h) illegal burns
- (i) woods/brush
- (j) building materials
- (k) fields/grass/hay
- (l) trash/dumpsters; and

- ii. respond to other firefighting-related calls, including calls related to the following:
 - (a) carbon monoxide
 - (b) down power lines
 - (c) hazardous materials (provided that the City's obligation is limited to responding and temporarily containing hazardous materials until a qualified responder arrives; the City is not obligated to remediate, remove, or control hazardous materials, nor is the City responsible for the costs of such remediation, removal, or control)
 - (d) disaster response
 - (e) search and rescue
 - (f) vehicular accidents.

In providing the Services, the City shall use its own vehicles, personnel, and equipment, and the City shall provide all housing and maintenance of such vehicles, personnel, and equipment. The City shall further provide any necessary workers' compensation insurance and other insurance for all personnel, vehicles, and equipment. The Township shall have no obligation, duty, or liability whatsoever with respect to the City's vehicles, personnel, or equipment.

4. ***Fire District.*** The Services shall be provided within the geographical limits of the Township ("Fire District") during the term of this Agreement.

5. ***Activity Reports.*** The City shall provide the Township with activity reports showing how many runs were conducted each month.

6. ***Employees.*** The City's employees shall not be deemed to be employees of the Township, and the Township's employees shall not be deemed employees of the City. Nothing in

this Agreement shall be construed to create a contract for employment.

7. ***City Discretion.*** The City shall have the discretion to deny or delay provision of Services within the Fire District if the City reasonably determines that insufficient vehicles, equipment, or personnel are available because those resources are engaged elsewhere, or if in the judgment of the City Fire Chief, road conditions or the disablement of vehicles or equipment do not allow the City to answer the call. The City Fire Chief or his designee shall determine the quantity and type of fire vehicles, equipment, and personnel used to respond to a call for Services in the Township, in the reasonable, good faith discretion of the Fire Chief or his designee, based on current accepted standards and practices.

8. ***Additional Billings to Recipients of Service.*** The Parties recognize that the fee established above in paragraph 1 may not be sufficient to allow the City to recover all its costs and expenses in delivering fire protection and related services within the Township. Therefore, in addition to the mandatory minimum fee, the City has the right to bill Township residents and any other recipients of fire protection services for all costs and expenses related to the delivery of fire protection services for the recipients' use or benefit. The City also has the right to bill residents outside the Fire District for the City's costs and expenses related to any response to personal injury calls but shall not bill Township residents for personal injury calls during the term of this Agreement. The Township shall, at the direction of the City, adopt any ordinance(s) necessary to authorize the City to collect such costs and expenses within the Township. The City shall also be entitled to receive any restitution ordered by any court of competent jurisdiction related to a fire or personal injury response. The Township shall have no obligation to collect billings on behalf of the City. The City shall not be entitled to place liens on property in the Township to collect such billings, nor shall the Township place liens on property on the City's behalf.

9. ***City's Exclusive Right to Fees, Fines, and Costs.*** Any fees, fines or costs collected by the City from residents, property owners, or others within the Township for providing fire protection services within the Township shall be kept solely by the City and not shared with the Township.

10. ***No Waiver.*** Nothing herein shall be construed to waive or limit any immunity from, or limitation on, liability available to either Party, whether set forth in Act 170 of 1964, Act 7, or otherwise.

11. ***No Joint Authority, Venture, or Enterprise.*** This is an agreement for services. The Parties do not intend to undertake or create, and nothing herein shall be construed as creating, a joint authority, joint venture, or joint enterprise between the parties outside of their authority to contract for services pursuant to Act 7.

12. ***No Third-Party Beneficiaries.*** There are no third-party beneficiaries to this Agreement.

13. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

14. **Severability.** If any portion of this Agreement shall be declared unenforceable by any court of competent jurisdiction, the remainder of this Agreement shall remain in full force and be unaffected by the portion which may be declared to be unenforceable.

15. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties. No amendments to this Agreement shall be valid unless in a writing signed by the Parties by their authorized representatives. Any prior agreements by and between the Parties concerning the matters as contained in this Agreement are hereby terminated.

The Parties have executed this Fire Protection Agreement on the date first written above.
